

WORKING AMERICA HEALTH CARE

UFCW MEMBERS

Find insurance that fits your needs and your budget!

The Working America Health Care program offers a simple way for UFCW members without collectively bargained health coverage to learn about health care options, costs and how to sign up for insurance for you and your family.

Working America Health Care

- We'll walk you through **tax credits and subsidies** to pay for health insurance.
- Talk to **licensed health care professionals** who can guide you through the best affordable option for you.
- Sign up for insurance backed by the Working America Health Care program, and you'll also benefit from a personalized **Health Advocate** service that can help you coordinate care, and answer your coverage, claims and clinical questions.
